K. Rinke '82

In the 1981-82 school year, Capac High School students did not score in their battle to improve the educational system in the Capac school district. Students may not seem to be affected by these losses now, but in the long run, it determines their futures. Every person needs a well rounded education to survive in this ever-increasing and demanding world. Today the basic Readin', Ritin' and Rithmetic is not enough to get by, and students need classes such as Chemistry, Calculus, and yes Home Economics. The education that a student receives now, is the foundation of his adulthood. If one receives a good education, he has built a solid foundation for the rest of his life. This makes a good education absolutely essential.

Unfortunately, Capac students did not make gains in their educational goals this year. The annual meeting, held on June 4, 1981, was not successful. Proposal A which called for 1.73 renewal and 1.75 additional mills, and Proposal B which called for additional millage of .75 mills, both failed. This meant that the money needed to efficiently operate the school system was not available.

Due to the failing of the millage, a special election was held on August 4, 1981. Proposition 1 which called for a renewal of 11.73 mills for three years in operation, passed by a vote of 483 yes to 224 no. Propositions II and III which called for additional millage, both failed. As a result of this millage election on August 6, 1981, the following cuts were made: bus transportation, all athletics, athletic director, jazz and marching band, festival trips, state competitions, one high school secretary, drivers education, and assistant high school principals position.

Citizens became more aware, and concerned than usual, about the cuts the Board had made. Angry parents, who for the first time started attending Board meetings. These turned into heated discussions about what was more important to a child's education: transportation or curriculum. There was a pressing need for a line of communication between the community and the Board. To provide this line of communication, two groups of parents organized at this time.

Feeling the need to support the School Board's decision to cut buses instead of curriculum, Citizens for Quality Education (CQE) was formed. This organization headed by David Miller, Chairman; Janice Rinke, Treasurer; and Kay Kosiba, Secretary. CQE was formed because they felt someone needed to inform parents about our schools financial needs. Also, in order to reinstate cuts that were previously made, CQE believed it was necessary to petition for another millage.

A petition was distributed and a special election was held on October 13, 1981. It called for additional millage of 2.5 mills for operation. This election failed by a narrow margin of 775 votes to 802 votes. When asked what CQE had felt it achieved, David Miller responded, "as a group we feel we informed many people of the financial facts confronting our schools." Miller also feels the voters are more aware of the Board's decision, and will be more aware about problems in the future.

Capac Concerned Citizens (CCC) was the other group formed in August. The CCC is headed by Dennis Noble, President; Joe Plichak, Vice-President; Sandra Moran, Treasurer; and Phyllis Hoskey, Secretary. According to Dennis Noble this group was organized because its members wanted "The community as a whole to find the best possible answers to the schools economic and social problem."

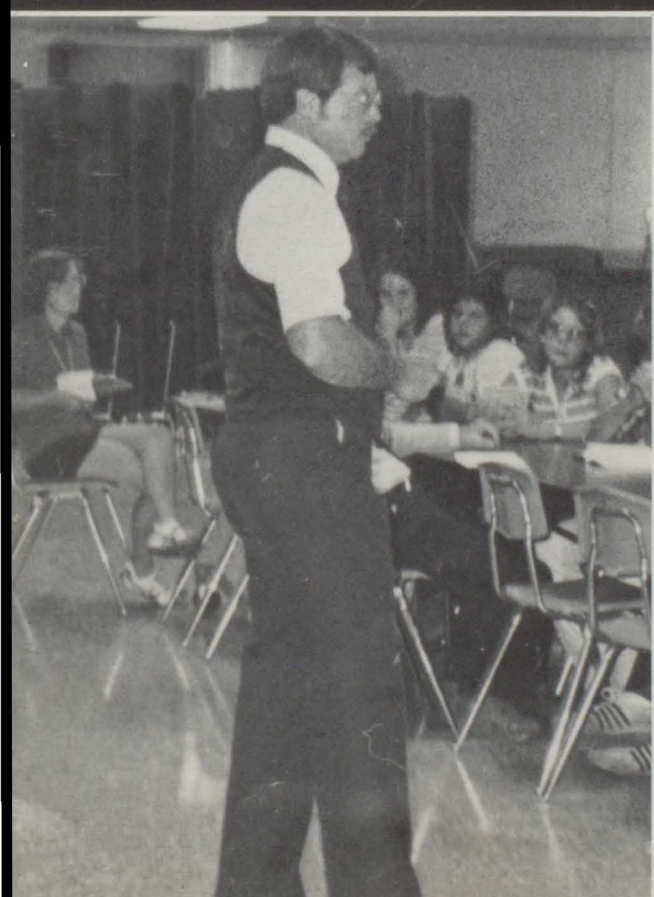

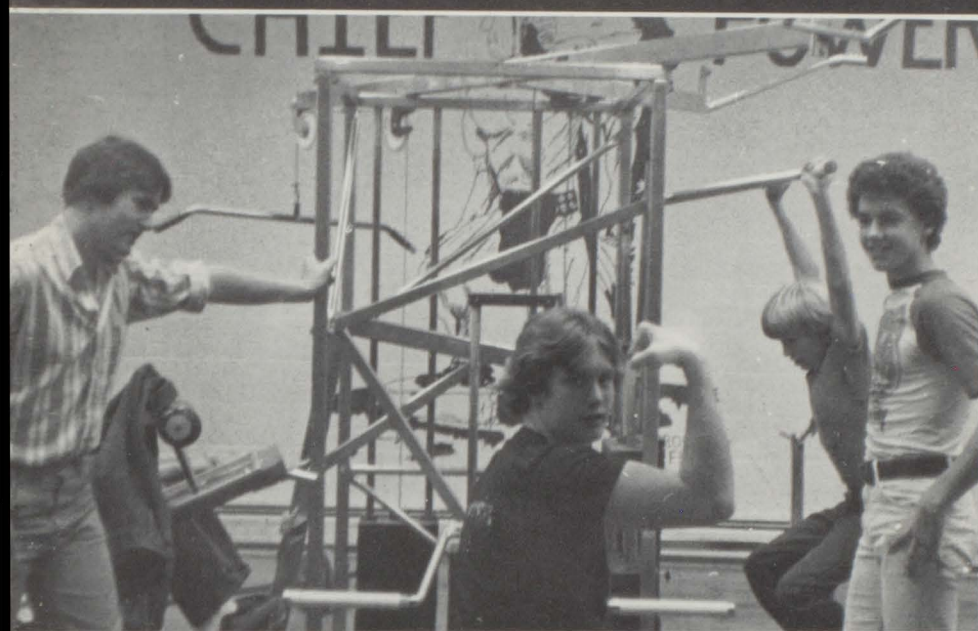

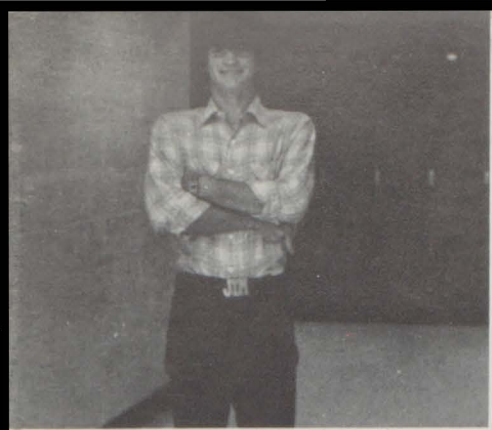

Obviously money was, and still is, the cause of the economic problems of the school district. The only reasonable answer was to have another millage election. On December 6, 1981, another special election was held. Proposition I called for an additional millage of 1.5 mills for transportation. This proposal passed, but Proposition II, which called for 1 additional millage for operation, failed. When Noble was asked what he felt the CCC had achieved, he stated: "Getting the buses back on the road, so that all the children in the district could have a safe and equal right to an education."

Mid August a group called themselves Capac Active Parents Athletic Club (CAPAC) met to discuss plans about reinstating the sports program. On August 13, CAPAC asked the Board of Education to adopt a plan of financing athletics. The plan included pay as you play per student \$350.11 and funds from the Booster Club which exceed 50% of their budget, plus gate receipts. The Board accepted this plan, and thanks to many concerned parents and friends, the Capac sports program exists today. All Capac athletes owe a great debt to CAPAC for making athletics possible.

Our athletes did exceptionally well this year, and this would not have been possible if it were not for CAPAC. For instance, Senior Brian Weiganden was named all state, all league in golf, and three members from our golf team took part in state finals. Also the girls basketball team made it to nationals with an excellent record of 13-5. Senior Monica Kucharski won all state in cross country for her superb performance. The wrestling team and seven members to regional and national tournaments will participate in state finals. The list goes on but one can see our athletes have done a great job and owe a lot to CAPAC.

It certainly was a tough year, not only in Capac but everywhere. People felt they could not get by financially, so they were not passing out millages. This resulted in such controversy about the Board's decision to cut transportation instead of curriculum. The CQE and CCC were formed to provide a line of communication between the people of the community and the Board of Education. To reinstate sports in the Capac schools, the CAPAC group was formed. All these groups played important roles in determining the type of education Capac students would receive this year, and future years. It has been a hard year, and Board decisions have caused a lot of controversy among Capac citizens, but everyone must remember education comes first!

"What Is Friendship?"

It is many things...it is feeling completely natural with another, shedding all pretence and all sham, and just being yourself. It is sharing both big and little things... it is counting on another to understand your moods, put up with your failings, be there when you need a word of encouragement. How do I know what friendship is? I know because you are my friend, and you are all these things. - Anonymous

HOMECOMING ROYALTY

This year, Homecoming took place from October 19 to October 23. It was a funfilled week, which consisted of many events that everyone was encouraged to participate in.

A week before Homecoming, students were chosen to represent each class. These students were:

12th grade - Kim Downey, Geraldine Feldhus, Colleen Green, Julie Hayden, Dorothy Lewis, Paul Hopkins, Andy Radvansky, Bill Smith, Doug Stroman and Joe Zelecki.

11th Grade - Leah Whitehead and Curt Dean.

10th Grade - Noreen Malburg and Eric Zorn.

9th Grade - Jodi Leonard and Tim Campbell.

8th Grade - Billy Jo Kazyaka and Ken Potzyka.

Elementary school - Jodi Remenap and George Emmie.

During the week, the classes competed in many contests, to gain points toward winning the spirit jug. They included, dress-up week and a yelling contest which took place at the bon fire before the J.V. Football game.

On Thursday, the National Honor Society members did a skit entitled, The Day Before Homecoming, for the Elementary and Middle school kids. Also, the cheerleaders did a dance routine, and taught the kids a few cheers. That night, the cheerleaders put on a spaghetti dinner for the football players, their parents and the coaches.

Friday was the big day, and many events took place. The NHS members dressed up as clowns, and sold balloons to the Elementary and

A MOMENT OF GLORY

Middle school kids, until it was time for the pep assembly. The classes competed in contests such as the tricycle race, the pie eating contest, the three legged race, and a yelling contest, to win points toward the spirit jug.

That night, the varsity football team played Dryden, and won 48-0. It was the first Homecoming game won by Capac in seven years! At halftime, the representatives were escorted onto the field by their parents, and Andy Radvansky and Colleen Green were crowned King and Queen. The Seniors were announced as winners of the spirit jug.

After the game, the Homecoming dance was held from 9:00 p.m. to 1:00 a.m. in the Elementary school.

So here the story of Homecoming ends. We hope everyone has fond memories of the great week.

10th Grade - Noreen Malburg, Eric Zorn. 11th Grade - Leah Whitehead, Curt Dean. 8th Grade - Billie Jo Kazyaka, Ken Potyczka. 9th Grade - Jodi Leonard, Tim Campbell.

After winning the S.T.A. crown with an impressive 16-1 record, the golf team advanced to the state finals with a second place finish at the Class C Regional in Lexington. The golfers went on to finish 15th out of 21 teams at the state meet held at Kalamazoo.

Senior Brian Sieggreen, who was the top golfer in the S.T.A. and an All-Blue Water Area selection for the third straight year, led the chiefs to the league title and their strong finish at Regionals. Sieggreen won MVP for the fourth straight year, as he scored in every match this season. He claimed medalist honors at the Eastern Michigan Invitational and League Meet and placed third at the Marlette Super Saturday.

Seniors Jeff Leonard (second team S.T.A.) and John Lang, Junior Tim Quain (second team S.T.A.), and sophomore Tony Snow all contributed in the Chiefs' quest. Coach Privette won Coach of the Year honors in the S.T.A., for the second straight year, and All-Blue Water Area.

The Varsity Girls Basketball team finished second in the S.T.A. with a 10-2 league record and won the District Championship with a 39-19 victory over Memphis under first-year coach Bob Abraham.

Losing its only two games to top-rated Brown City, the Chiefs won 18 games. After winning the Districts with victories over Armada and Memphis the girls lost in the Regionals to tough Allen Park Cabrini.

Senior Monica Franckowiak was the top offensive player with the third best scoring average in the area. 16.3 points per game. Junior Bridget Bohr, not only averaged 13.3 points per game tenth best in the area, was the top defensive player in Coach Abraham's mind.

Junior Danine Jurn's balanced scoring, heads up defense and court awareness and leadership made her the team's Most Valuable Player.

Senior Vicky Pykosz, Juniors Michele Wages and Cheron Frye and Sophomore Lori Hannon were valuable assets for the team's 18-3 overall record.

With a 2-5 Southern Thumb Association finish, the Varsity Football team ended with its best league record in five years under first year coach Steve Kamidoi.

Ken Campbell had a team high 502 yards and 5TD's rushing with All-League half back Bill Smith right behind with 368 yards. Junior Mark Carroll, who was voted MVP by his teammates, not only rushed for 348 yards and passed for 180 more also ended the season as one of the top punters in the area. Junior quarterback Scott Glaombowski completed 30 passes for 270 yards. All League tackle Steve Aguinaga and the rest of the offensive line allowed our runners to gain over 1,300 yards this season.

Seniors Jeff Ferrett and Kelly Modad, both All-League choices, anchored a fine defensive unit. Ferrett, who intercepted 5 passes, was tied for the league lead in that category. Modad's versatility and leadership qualified him for the selection. Seniors Mike Fournier, Dereck Phillips and Dan Spencer and Junior Harvey Pratt were vital parts of the defense.

"The Child's Appeal"

I am the child. All the world waits for my coming. All the earth watches with interest to see what I shall become. Civilization hangs in the balance, for what I am, the world of tomorrow will be. I am the child. I have into your world, about which I know nothing. Why I came I know not; How I came I know not. I am curious; I am interested. I am the child. You hold in your hand my destiny. You determine, largely, whether I shall succeed or fail. Give me, I pray you, those things that make for happiness. Train me, I beg you, that I may be blessing to the world. (Mamie Gene Cole)

**THE BEST
OF TIMES!**

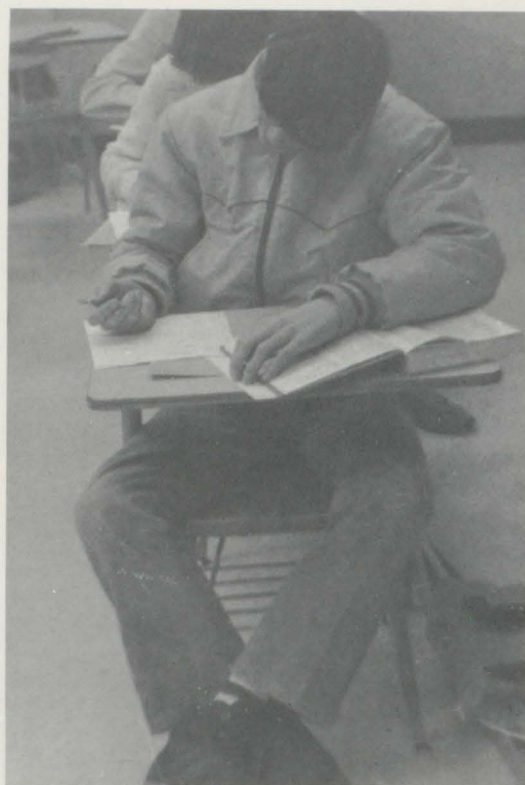

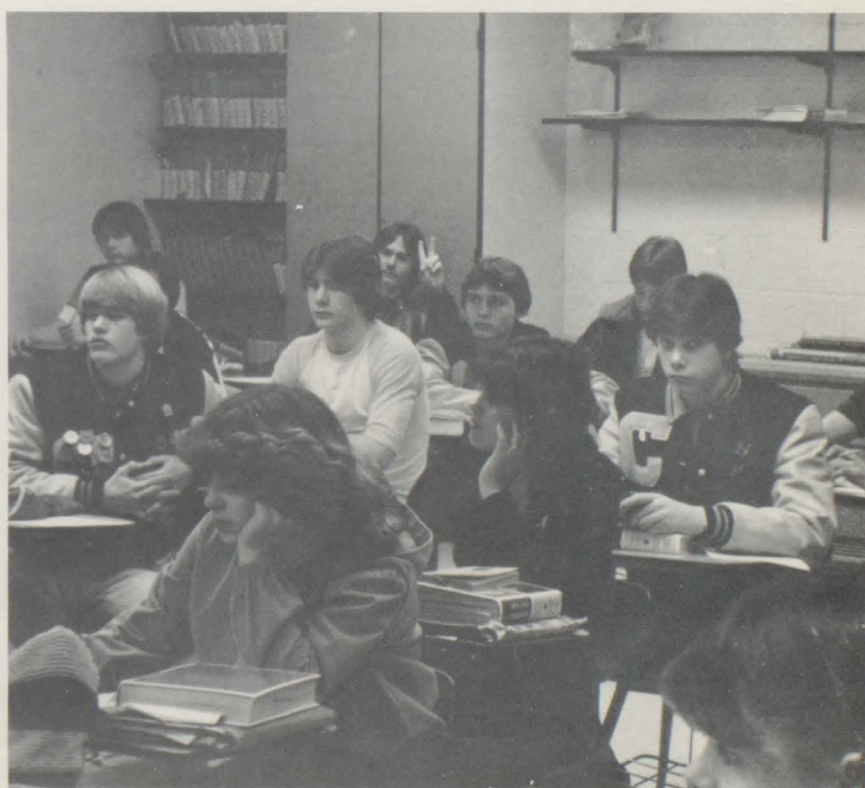

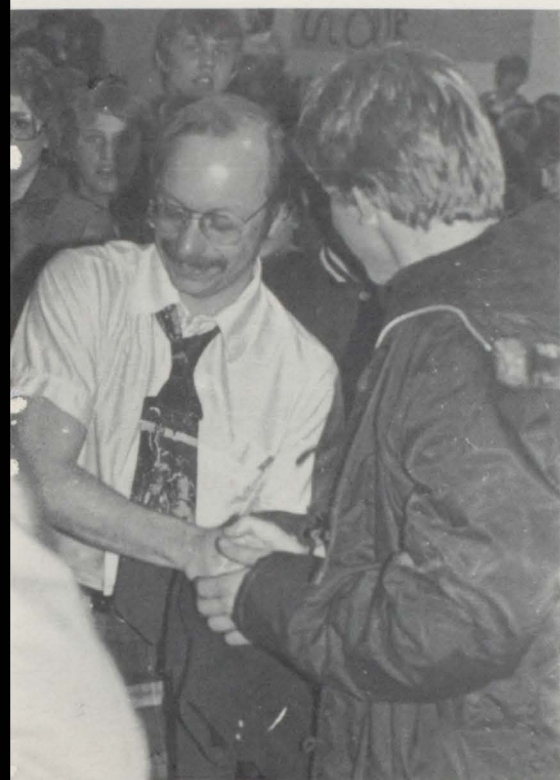

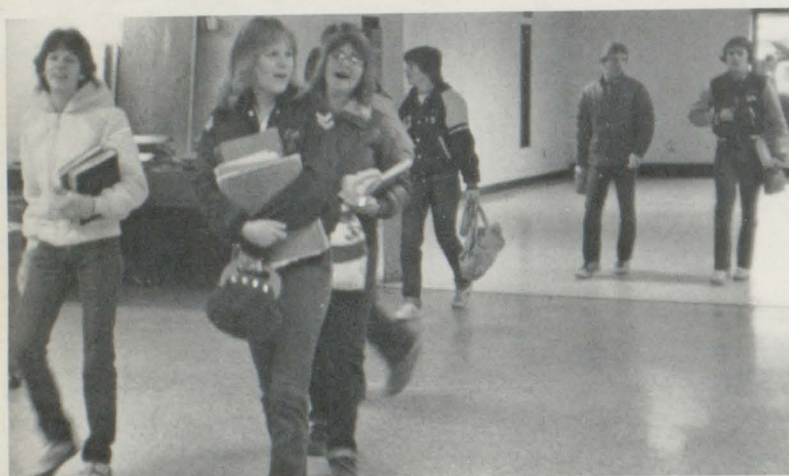

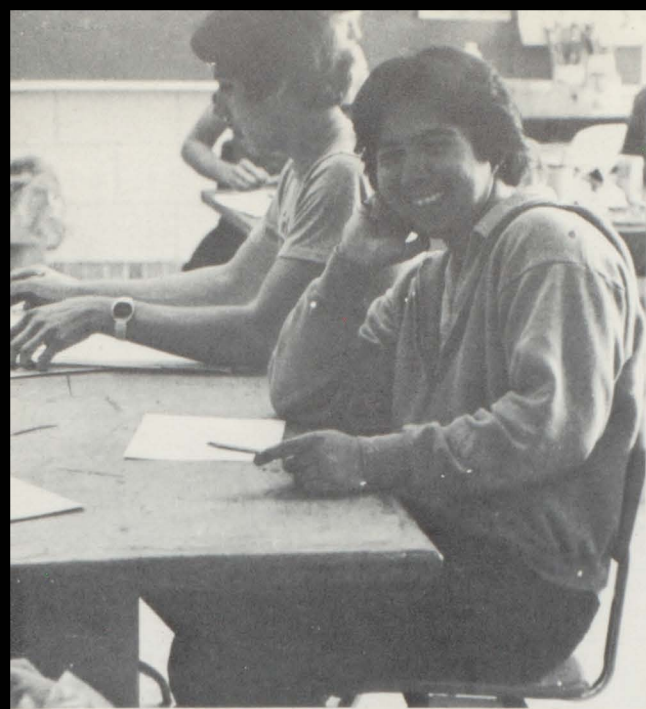

If we did all the things we are
capable of doing, we would literally
astound ourselves.

Wee Chiefs Have Fine Season

8th Grade Basketball Cheerleaders- (Left to Right)
L. Bollaert, L. Nelson, M. Reichert, A. Cline,
L. Aguinaga, J. Leonard, N. Terranova.

The Varsity Basketball Team won 14 of their first 15 games to claim the top spot in the Blue Water Area early in the season.

In that winning streak, Capac defeated league arch-rival New Haven and SOAL runner-up Algonac.

Senior captain Andrew Radvansky averaged just over 12 points a game and junior Curt Dean poured in 13 points per game to lead the Chiefs' high powered offense, which ranked third in the area.

Joe Zelecki, Tony Whitehead and Mike Wagner also provided much of the Chiefs' scoring punch. Todd Hulett and Zelecki ripped down a majority of the rebounds.

Juniors Tom Mailloux, Mark Carroll got valuable playing experience, while steadily improved Todd Vigil moved into the starting lineup late in the season.

An exciting 75-73 victory on New Haven's homecourt catapulted the Chiefs into the Number 1 spot in the area in the final coach's poll and also earned them a share of the Southern Thumb Association title.

The Chiefs ended the season with a 17-4 overall record and a 12-2 S. T. A. record.

The Capac Wrestling team finished the season undefeated in 11 dual meets and captured the Cass City Invitational team championship.

Senior Mike Fournier, a regional qualifier, was the top medal winner. Fournier won championships at 145 pounds at the Capac, Hamady and Cass City Invitionals. He also received medals at Yale, Algonac and Caro.

Wayne Kamidoi was the team's only state qualifier. He earned third place at Districts and fourth place at Regionals to advance to the State Finals at 105 pounds.

Duane Brunelle (138) and Daryl Brunelle (98), both regional qualifiers, each won over 20 matches. Daryl was undefeated in dual meet competition.

Seniors Steve Aguinaga (167), Matt Zwiernik (126), Kelly Modad (155), and Dereck Phillips (HWT) all posted winning records. Matt and Steve were Regional qualifiers.

Sophomores Oscar Aguinaga (185), Pete Gonzalez (HWT), Steve Fournier (155), and Craig Lohmann (119) and Freshman Robert Modad (112) wrestled excellently throughout the season.

The Volleyball team, in what was to be a rebuilding year, had a respectable season finishing fourth in the S.T.A. with a 6-6 record.

The top performers on the team were juniors Bridget Bohr and Roberta Stasik. The two combined for the majority of service and spike points. Seniors Maggie Chavez and Debbie Wheelihan and sophomore Lisa Gubbels had a fine season with their all-around net play.

With Bohr, Stasik, Gubbels, junior Cheron Frye and sophomore Theresa Worden, a late season starter, coming back next season, they have a nucleus that can produce a league championship.

Dear Robin,

Deep in our heart is a graduation wish to you for a lifetime ahead of happiness, love, and success. May the fond memories of graduation be yours to warmly cherish and God bless you now and always.

Love Mom, Dad & Kevin

Build it well whatever you do,
Build it straight and strong and true;
Build it clean and high and broad;
Build it for the eye of God.

We Love You
